Clip and Go Care and convenience in one

- Helps to keep brushes in perfect condition
- User-friendly
- Clean
- Handy and quick

GO! Paint

Innovation in decoration

Perfect condition of brushes

The bristles hang in the paint without touching the bottom of the paint kettle.
So the brushes stay in perfect condition

Innovation in decoration

User-friendly

- Freedom of movement: one brush in the hand, the brushes which are not in use, can be clicked into the Clip and Go
- There are no loose brushes in the paint kettle
